Re: Docket No. 2004P-0532/CP1

Dear Mr. Wohl:

I am writing to inform you that the Food and Drug Administration (FDA) has not yet resolved the issues raised in your citizen petition submitted on December 1, 2004. Your petition requests that the Agency amend its regulations regarding drug sample distribution by mail or common carrier to allow the drug sample recipient to execute an electronic receipt in lieu of a written receipt.

FDA has been unable to reach a decision on your petition due to the need to address other Agency priorities. This interim response is provided in accordance with FDA regulations on citizen petitions (21 CFR 10.30(e)(2)). We will respond to your petition as soon as we have reached a decision on your request.

Sincerely,

Jane A. Axelrad

Associate Director for Policy  
Center for Drug Evaluation and Research
